

# CENTRAX NEXT

## The Next Generation of Compliance Software

**CENTRAX NEXT** is a comprehensive suite of CRA, HMDA and Fair Lending tools. Everything needed is included to satisfy examiners, senior management and Board.

### Enhancements include:

- Browser based access built in SQL.
- FFIEC as the first source of geocode, for optimal accuracy.
- Enhanced mapping and reporting tools.
- Customizable dashboards that make it easy to view and assess your data.
- Fair Lending pricing snapshot to identify areas that might warrant further analysis.

With immediate access to all lending performance through easy-to-read reports, maps and graphs, CenTrax NEXT makes it easier to manage the process in-house.
