

MARQUIS NEXT DASHBOARDS AND REPORTING

Browser-based access to create, edit and view reports

Take your marketing reports to the next level with this intuitive and customizable add-on for ExecuTrax.

Provide Reports to Fit Your Needs

With over 60 ready-to-use reports and dashboard elements, you have all you need to satisfy executive demands.

Data and Report Access Just a Few Clicks Away

Clients and management can access reports and dashboards from any web browser.

Executive Access

Create any number of roles with defined permissions to accommodate everyone and maintain control. From read-only to unlimited access, you can set security levels and limit what's viewed.

To learn more about Marquis Marketing services, or to receive a demo of our products, contact us at sales@gomarquis.com.

Browser-based for anywhere access, you'll have total control on who can view, edit, or create new reports.
